

Gateway To The *New* South.

Permits Required Yard Sale

If you live with in the City limits and are planning to have a yard/garage sale you are required to obtain a permit. The yard sale permit is at no cost to you and can be obtained at the City Building & Codes Department.

There is a directional sign permit that you can obtain for placement of yard sale signs but this does require a \$25.00 fee (per sign) and guide lines that accompany this permit. It is illegal to place any sign in the right of way, free standing, or attached to telephone poles, stop signs, etc.

Should you have any questions please call the Building & Codes Department at 931-645-7426.
