Traffic Alert

TDOT Construction Project Contract CNL212

Montgomery County – Clarksville, TN

SR-76 at I-24, Exit 11 and Sango Road Intersection

Construction to make modifications and add traffic signals to the intersection of State Route 76 and Sango Road & State Route 76 with the east bound off ramp from I-24 will begin, on or around, Oct. 15th, 2012. Motorists can expect daily temporary lane closures from the hours of 9:00 AM to 3:30 PM. Some night work might be possible after 6:00 PM during weekdays, with some work on weekends on a 24 hour schedule daily. Motorists should be very alert to changing roadway conditions as this project progresses, and be alert to contractor equipment and personnel in, or near, the existing roadway. In addition, motorists are strongly urged to seek an alternate route if all possible. Additional updates to follow as needed.

David Edmondson

TDOT Project Supervisor

Unit 3043 – Construction

Clarksville, TN
