#### **SPECIFICATIONS:**

20. Any reference to manufacturer's name, trade name or catalogs in an invitation to bid or request for proposals is intended to be descriptive but not restrictive and only to indicate to the prospective bidder articles that will be satisfactory. Bids on other makes and catalogs will be considered, provided each bidder clearly states in his bid exactly what he proposes to furnish and forward with his bid a cut illustration or other descriptive matter which will clearly indicate the character of the article covered by his bid.

**Trade Names** – In bids offering an item identified by a manufacturer's name, trade name, catalog number or reference, it is understood that the bidder proposes to furnish the item so identified and does not propose to furnish an "equal" unless the proposed "equal" is definitely indicated therein by the bidder.

If no particular brand, model or make is specified and if no data are required to be submitted with the bid, the successful contractor after award and before manufacture or shipment, may be required to submit working drawings or detailed descriptive data sufficient to enable the Purchasing Agent to judge if each requirement of the specifications is being complied with.

If exceptions to the specifications are taken, this fact must be clearly stated on the cover page of the bid, and all deviations from the specifications must be noted in detail by the bidder, in writing, at the time of submittal of the formal bid. The absence of a written list

of exceptions to the specifications at the time of submittal of the bid will hold the bidder strictly accountable to the City to the specifications as written. 22. **Award or Rejection of Bids** – The contract will be awarded to the lowest responsive and responsible bidder, complying with all the provisions of the invitation, provided the bid price is reasonable and it is to the interest of the City to accept it. The City reserves the right to reject any and all bids and to waive any irregularities in bids received whenever such rejection or waiver is in the interest of the City. The City also reserves the right to reject the bid of a bidder who has previously failed to perform properly or complete on time contracts of a similar nature, or a bid of a bidder who investigation shows is not in a position to perform the contract.

In determining responsibility, the following other qualifications, in addition to price, will be considered by the Purchasing Agent:

24. **Tie Bids** – If two or more bidders submit identical bids and are equally qualified, selection shall be made at the discretion of the City based on past performance.

32. **Default** – In the event of default, the City may award the contract to the next lowest bidder, if such bidder is willing to enter the contract, or may cover in the open market, or may seek any other remedy, and may hold the defaulting contractor liable for all damages provided by law, including the cost of cover.
33. **Non-Liability** – The contractor shall not be liable in damages for delay in shipment or failure to deliver when such delay or failure is the result of fire, flood, strike, act of God, act of government, act of an alien enemy or by any other circumstances beyond the control of the contractor. Under such circumstances, however, the Purchasing Agent may in his discretion, cancel the contract.

# MEMORANDUM

August 18, 2005

TO: All City of Clarksville Bidders  
FROM: Ron McClurg, Title VI Coordinator  
RE: Title VI Self-Assessment

Following this memo, you will find the City of Clarksville's **Title VI Self-Assessment Survey** form and a packet of information about Title VI of the Civil Rights Act. All bidders are required to complete and return the survey form as a part of the bidder/vendor application.

Title VI of the Civil Rights Act is the Federal law that prohibits discrimination based upon race, color, or national origin in programs that receive federal assistance. Tennessee Code Annotated, Section 4-21-901, requires that state agencies that distribute funds to local governments collect such information as appears on the survey to assist them in monitoring compliance with the law.

If you have questions regarding the information requested, please feel free to contact me for assistance. You may call me at 931-221-0741 or e-mail me at [rmclclurg@cityofclarksville.com](mailto:rmclclurg@cityofclarksville.com).

The information you provide is not reviewed nor used in the bidding or the contract awarding process. It merely assists us in our efforts to ensure that invitations to bid are presented to a diverse representation of product and service providers.

Thank you for your cooperation.

## TITLE VI OF THE 1964 CIVIL RIGHTS ACT

### ***THE TENNESSEE HUMAN RIGHTS COMMISSION***

The Tennessee Human Rights Commission is the lead coordinating state agency for the monitoring and enforcement of Title VI of the 1964 Civil Rights. This office provides:

- Technical assistance to public and private agencies, and citizens
- Educational outreach and training
- Complaint investigation and resolution
- Information resources
- Guidance and review of Title VI implementation plans
- Monitoring of agencies' compliance and enforcement of Title VI
- Advocacy for all citizens.

This state agency is also charged with the responsibility of ensuring fair and equal treatment in employment, housing, and public accommodations for all Tennesseans without regard to race, color, religion, sex, age, handicap, or national origin.

### ***WHAT IS TITLE VI? - “Nondiscrimination in Federally Assisted Programs”***

“No person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.” *42 U.S.C § 2000d*

- education institutions

- Student aid (releases recipient's funds for other uses) or
- Training of employees (permits better use of the employer)
- Grants and Loans, tax-exempt bonds
- Property
- Loan of Personnel
- Tax incentives and tax-exempt status
- Technical assistance, etc.
- Title VI applies to discrimination throughout an agency, not just to actions involving the federally assisted program. Therefore, if an agency receives any federal financial assistance for any program or activity - the entire agency is required to comply with Title VI, not just that particular program.
- Note: 1987 Civil Rights Restoration Act restored the broad coverage of "program or activity"

### **HOW DOES TITLE VI APPLY TO PUBLIC POLICY?**

Title VI is a mechanism that directs the federal financial assistance which drives or promotes economic development. By legislative mandate, Title VI examines the following public policy issues:

- Infrastructure development
- Accountability in public funds expenditures
- Economic Empowerment
- Environmental Justice
- Public-Private Partnerships financed in part or whole with public funds
- Program service delivery
- Disparate impact
- Minority participation in decision-making
- Site and Location of Facilities
- Accessibility for all persons
- Comprehensive Method of Administration to ensure enforcement and compliance at the state and local level

### **WHO MUST COMPLY? I.E. WHO MAY BE FOUND IN VIOLATION?**

#### ***Recipients and other parties that substantially affect program outcomes***

- State and Local Government: Agency distributing federal assistance or entity distributing federal assistance to the state or local government entity.
- Higher education: college, university, or other post-secondary institution
- Local education agency or system of vocational education, or other school system
- An entire corporation, partnership, or other private organization, or an entire sole proprietorship
- Private organization in education, housing, health care, etc. (the entire organization)
- The entire plant or private corporation or other organization which is a geographically separate facility to which federal financial assistance is extended.

### **WHAT TITLE VI DOES**

- Prohibits entities from denying an individual any service, financial aid, or other benefit.
- Prohibits entities from providing services or benefits to some individuals that are different or inferior (either in quantity or quality) to those provided to others.
- Prohibits segregation or separate treatment in any manner related to receiving program services or benefits.
- Prohibits entities from requiring different standards or conditions as prerequisites for serving individuals.
- Encourages the participation of minorities as members of planning or advisory bodies for programs receiving federal funds.
- Prohibits discriminatory activity in a facility built in whole or part with Federal funds.
- Requires information and services to be provided in languages other than English when significant numbers of beneficiaries are of limited English speaking ability.
- Requires entities to notify the eligible population about applicable programs.
- Prohibits locating facilities in any way that would limit or impede access to a federally funded service or benefit.
- Requires assurance of nondiscrimination in purchasing of services.

**WHAT TITLE VI DOES NOT DO**

- Does not apply to Federal assistance provided through insurance or guaranty contracts, (e.g. FHA loan insurance),
- Does not apply to employment, except where employment practices result in discrimination against program beneficiaries or where the purpose of the Federal assistance is to provide employment.
- Does not provide relief for discrimination based on age, sex, geographical locale or wealth.
- Does not apply to direct benefit programs such as Social Security.
- Only apply to contracts and set-aside programs

## Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. For individuals, this is your social security number (SSN). **However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3.** For other entities, it is your employer identification number (EIN). If you do not have a number, see **How to get a TIN** on page 3.

**Note:** If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

## Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), **and**
2. I am not subject to backup withholding because: **(a)** I am exempt from backup withholding, or **(b)** I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or **(c)** the IRS has notified me that I am no longer subject to backup withholding, **and**
3. I am a U.S. person (including a U.S. resident alien).

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

## Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

**U.S. person.** Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

**Note:** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Foreign person.** If you are a foreign person, use the appropriate Form W-8 (see **Pub. 515**, Withholding of Tax on Nonresident Aliens and Foreign Entities).

## Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a **nonresident alien or a foreign entity** not subject to backup withholding, give the requester the appropriate completed Form W-8.

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 30% of such payments (29% after December 31, 2003; 28% after December 31, 2005). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will **not** be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or
3. The IRS tells the requester that you furnished an incorrect TIN, or
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate **Instructions for the Requester of Form W-9**.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of Federal law, the requester may be subject to civil and criminal penalties.

**Note:** See the chart on page 4 for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get **Form SS-5**, Application for a Social Security Card, from your local Social Security Administration office or get this form on-line at [www.ssa.gov/online/ss5.html](http://www.ssa.gov/online/ss5.html). You may also get this form by calling 1-800-772-1213. Use **Form W-7**, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or **Form SS-4**, Application for Employer Identification Number, to apply for an EIN. You can get Forms W-7 and SS-4 from the IRS by calling 1-800-TAX-FORM (1-800-829-3676) or from the IRS Web Site at [www.irs.gov](http://www.irs.gov).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note:** Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 3, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see **Exempt from backup withholding** on page 2.

**Signature requirements.** Complete the certification as indicated in 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA or Archer MSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

## Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA or Archer MSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, and the District of Columbia to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, or to Federal and state agencies to enforce Federal nontax criminal laws and to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 30% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.
