“THE LIFT” PARATRANSIT SERVICE

Paratransit is an alternative, origin to destination, demand-responsive public transportation service. It is designed to be complementary to the fixed-route bus service in terms of service times and areas.

ADA PARATRANSIT

ADA Paratransit service is designed to serve only those individuals with disabilities that prevent them from using the fixed-route bus system. Under the Americans with Disabilities Act of 1990 (ADA), disability alone does not automatically qualify an individual to use paratransit services. ADA Paratransit is an origin to destination service. Assistance will be provided between the first doorway of the pick-up location (origin) to the first doorway of the Drop-off location (destination). Paratransit service is required to be provided within $\frac{3}{4}$ of a mile from all fixed bus routes during the times in which the buses are operating. At this time CTS offers its paratransit service to our entire service area.

WHO QUALIFIES FOR PARATRANSIT?

ADA Paratransit services are designed to provide public transportation service to individuals that are functionally unable to use the fixed-route bus service. Individuals that are eligible for paratransit service will generally fall into one of two categories described below.

1. Individuals who have specific impairment-related conditions which make it impossible (not just difficult) to travel to and from the bus stop.
2. Individuals who are unable to board, ride or exit from the buses even if they are able to get to a bus stop and the bus is equipped with a wheelchair lift. Individuals may be certified for permanent (unconditional), temporary or conditional eligibility.

Permanent (unconditional) – the reason for your eligibility is unlikely to change, and you will continue to remain eligible for the service

Temporary – the reason for your eligibility is limited in its duration, and at the end of that time frame you will no longer be eligible for the service

Conditional – the reason for eligibility is circumstantial (e.g. snow and ice or when it's dark) and you are only eligible during these times

POLICIES

GENERAL POLICIES

1. Passengers must pay the fare upon boarding the vehicle. Exact change or ticket is required
2. No smoking, eating, drinking or disruptive behavior is allowed.
3. Limit conversations with the driver to questions regarding “The Lift” services so they may concentrate on driving safely.
4. Remain seated until the vehicle has come to a complete stop at your destination.
5. Passengers may only carry items on to the vehicle that can be carried in one trip and can be safely stored inside the vehicle.
6. Do not leave any personal items in the van. CTS is not responsible for any items left unattended.
7. Respirators, portable oxygen and service animals are allowed aboard the vehicles.
8. Mobility devices, including wheelchairs and scooters, are required to be secured to the vehicle.

SERVICE AREA

“The Lift” paratransit service is offered anywhere within the Clarksville Transit System service area. A map showing our fixed routes and service area will be provided upon request. Origins and destinations outside of this area will not be served. Only locations where the vehicle can be safely parked and passengers can safely board and exit the vehicle will be served.

DAYS AND HOURS OF OPERATION

Days and hours of service are Monday through Friday 4:40 am until 9:00 pm and Saturday from 6:00 am until 9:00 pm. Service will be provided to all areas at the same time that bus service would begin in those areas. Please reference the bus schedule to find out when service begins in your area and the area of your destination. Transportation service is not available on Sunday. “The Lift” does not operate on the following holidays: **New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.**

Clarksville Transit System ADA Paratransit Policies and Procedures

RESERVATION POLICY

Reservations for next day service and up to 14 days in advance can be made between the hours of 8:00 am and 4:30 pm Monday through Sunday.

Reservations will not be taken before or after these hours. On Sundays and holidays before a service day, reservations will be taken via answering machine.

The telephone number for making reservations is (931)553-2470. For the hearing impaired we are equipped with a TDD machine. The TDD phone number is (931)645-0160. After hours emergency numbers are (931)320-2437 and (931)320-2434.

Scheduling Rides: Rides are scheduled on a first come, first served basis. In order to schedule a trip, a passenger must speak with CTS staff who will require the following for scheduling a trip:

1. 1. Name
2. 2. Phone Number
3. 3. Date and Day of the week of your ride request
4. 4. Origin Address
5. 5. Destination Address
6. 6. Desired Pick-Up Time
7. 7. Desired Drop-Off Time (Appointment Time)
8. 8. Number of Passengers
9. 9. If Round Trip, Approximate Time of Return Trip

In order to maximize the efficiency of our service and serve as many people as possible your trip may be scheduled up to one hour earlier or later than your requested pick-up time. Please be ready for the driver one hour prior to your requested time.

Please keep track of the dates and times for the appointments you make. No reminder or follow-up calls will be made.

Clarksville Transit System ADA Paratransit Policies and Procedures

CANCELLATION POLICY/LATE POLICY

If it is necessary to cancel your appointment please do so within one hour before your scheduled pick-up time. Passengers who are not ready for the scheduled pick-up time cause the system to run behind schedule and inconvenience other passengers. CTS realizes that situations do arise in our daily lives. There are many circumstances that may be beyond the rider's control, including but not limited to:

- Family emergency
- Illness that precluded the rider from calling to cancel
- Personal attendant or another party who didn't arrive on time to assist the rider
- Rider was inside calling to check the ride status and was on hold for extended time
- Rider's appointment ran long and did not provide opportunity to cancel in a timely way
- Another party cancelled rider's appointment
- Rider's mobility aid failed
- Sudden turn for the worse in someone with a variable condition
- Adverse weather impacted rider's travel plans, precluding the rider from cancelling in a timely way

In order to provide service to as many people as possible, it is essential that all passengers try and be ready at their scheduled time. Passengers who are not ready for the scheduled pickup time cause the driver to fall behind schedule and inconvenience other passengers. Therefore, there is a five-minute limit to the amount of time paratransit drivers will wait for a late passenger.

It is the passenger's responsibility to be ready and waiting at their door by their scheduled pick-up time. If the passenger is not ready and at the door within five minutes of the scheduled pickup time, and has not called the dispatcher to reschedule or cancel the trip, the driver will notify the dispatcher and depart for the next pickup.

"NO-SHOW"

"No-shows" are detrimental to the effective operation of the service and deny other passengers efficient public transportation.

Clarksville Transit System ADA Paratransit Policies and Procedures

All “no-shows” will be logged in the client’s Manifest. All “No-shows” even ones beyond your control (e.g. family or medical emergency) **will not be counted against you.**

If possible, a passenger who has missed their pick-up will be worked back in when, and if, space and time permits.

FARE POLICY

The fare for an ADA paratransit trip is \$2.50 each way. Fare must be paid in exact change or with a ride ticket. Books of 10 ride tickets are \$25.00 and may be purchased from the operator or at the transit center at 200 Legion St. Please alert the dispatcher when making your appointment if you wish to purchase a book of tickets from the driver.

You may bring a Personal Care Attendant (PCA) with you at no extra charge. You may also bring a companion with you on your trip. Companions must pay the \$2.50 per trip fare. Additional companions will be accommodated if space is available on the vehicle. Please inform the dispatcher when you make your appointment if you will have a PCA or companion accompanying you.

PASSENGER ASSISTANCE POLICY

We are an origin to destination service and are required to provide assistance between the vehicle and the first doorway for customers who need additional assistance to complete the trip. **DRIVERS WILL NOT ENTER PRIVATE HOMES FOR ANY REASON.**

Business / Medical Facilities / Public Buildings If necessary and requested, drivers will assist passengers to and from the main entrance door. When picking up passengers from a business / medical facility / public building, drivers may go through the second door of a foyer. Drivers cannot go beyond this point. Drivers may enter nursing homes, medical facilities, shopping centers, businesses or other public buildings in an attempt to find passengers but the passengers should be waiting at the entrance within the window of their scheduled pick up time. **CTS is a shared ride.** Delays are unacceptable because they cause the vehicles to get off schedule and inconvenience other passengers.

Clarksville Transit System ADA Paratransit Policies and Procedures

Please note also that the ability to safely provide door-to-door service may involve issues such as stairs, ramps, doors, handrails, pathways, etc... as well as clearing and maintenance of the above during the winter months. This includes such times as when there has been a significant snowfall or drifting condition in the hours prior to the scheduled pick-up. Safety will be determined by CTS staff. If an unsafe condition is present we may NOT be able to do door-to-door service. Your ride could be canceled due to any of the above conditions.

If you are in a wheelchair and do not have a ramp or are unable to maneuver your wheelchair by yourself, we suggest that you have a personal care attendant accompany you. When necessary the operator will assist individuals with disabilities in the use of the 4-point tie down securement system and shoulder belt. It is the policy of the Clarksville Transit System that all mobility devices be secured. Service may be denied if a passenger refuses. If you are not in a wheelchair, and need a lift, it will be deployed upon request.

If you are not able to carry your groceries or shopping bags to or from the vehicle, we will allow our operators to carry whatever they can carry in one trip to the door of your home or apartment building. We will not go into your home.

POLICY ON PORTABLE BREATHING AIDS / SERVICE ANIMALS

Individuals with disabilities using respirators or portable oxygen and service animals are permitted on fixed-route bus and paratransit. Oxygen tanks must be secured so they do not move during transport.

TRANSPORTATION OF CHILDREN

The minimum age for a child to travel alone aboard the ADA complementary origin to destination paratransit service vehicles is 6 years of age. Children under the age of 6 must have an adult accompany them during transport. Only A CTS Operations Supervisor or Director may grant exceptions.

VISITOR POLICY

Out-of-town visitors will be eligible for ADA Paratransit if they are eligible to use the ADA Paratransit provided by their home system. Visitors must provide proof of paratransit certification from their home system, next day service will be provided. If a visitor does not have ADA eligibility documentation from their home system, we will still provide service. We may request proof of residency,

Clarksville Transit System ADA Paratransit Policies and Procedures

and if the disability is not apparent, documentation of the individual's disability. Visitors will be provided only 21 days of paratransit service per calendar year. Individuals intending to use the service for more than 21 days will be required to apply for certification.

PROCEDURES

HOW TO APPLY FOR ADA PARATRANSIT CERTIFICATION

To apply for ADA Paratransit certification, an application (Attachment 1) must be completed and approved by the Paratransit Operations Supervisor. The application requests information about the nature, extent, effect and duration of your disability. **A medical doctor is required to fill out the professional certification portion of the application.**

Upon completion of the application you must call the CTS paratransit office to set up an interview and to review your application. Please do not mail the application. Bring your application with you on the day of your interview. Please ensure that the application is 100% complete. Missing or incomplete information could result in a decision being delayed. Paratransit service will be provided to and from the interview at no charge if needed. To schedule your appointment, call (931)553-2470.

Paratransit interviews will be waived if the individual is over the age of 70 or resides in a nursing/assisted living home. In these instances the individual should mail the application to Clarksville Transit System Attn: Paratransit Office, 430 Boillin Ln, Clarksville, TN 37040.

Once your application is received, it will be evaluated and you will receive written notification of the decision within 21 days. If a decision has not been made within 21 days you will be allowed to use the service until you have been notified of the decision to deny.

HOW TO APPEAL IF YOUR APPLICATION IS DENIED

application for paratransit eligibility is denied or for persons who have received suspension notices for other reasons. An individual may file an appeal when CTS denies paratransit service for any of the following reasons.

1. Denial of eligibility
2. Suspension for seriously disruptive behavior

CTS will inform an applicant or client of a decision to deny eligibility status or to suspend service by letter. Individuals have 60 days from the date of the letter to request an appeal. Request for an appeal must be sent in writing to the following address.

Clarksville Transit System
430 Boillin Lane

The administrative appeals board consists of the Transit Director, Business Analyst and Paratransit Operations Supervisor. Individuals who have submitted an appeal will be notified of the decision of the appeals board in writing within 30 days. If no decision has been made by the Clarksville Transit System regarding the appeal within 30 days, paratransit service will be provided until and unless a decision to deny the appeal is issued by CTS.
